## SKILLS & TECHNOLOGIES

Web Design, Graphic Design, Javascript, MongoDB, Express, ReactJS, NodeJS, HTML5, CSS3, GitHub, Visual Studio Code, Figma, Adobe Photoshop, Slack, Responsive Web Design, Wireframes, Bootstrap, Userflows, Pair Programming

## WORK EXPERIENCE

### Assistant Store Manager

SPIRIT HALLOWEEN SEP 2020 - PRESENT

Managing store employees, training and onboarding new hires, managing and counting tills, making bank deposits, achieving daily sales goals and managing shifts and schedules for a season Halloween pop up store.

### Delivery Driver

AMAZON MAR 2021 - JUL 2021

Loaded packages into trucks, moved and operated a step van, delivering up to 350 packages a day on a timely manner and did a post drive vehicle inspection.

### Package Handler

ONTRAC NOV 2020 - MAR 2021

As a package handler, I unloaded trucks and sorted packages by their delivery ZIP code while inspecting packages to make sure they are safe for truck transportation.

### Floor Supervisor

HOPE THRIFT JUL 2019 - JUN 2020

Managing employees, training and onboarding new hires, managing and counting tills, making bank deposits, achieving daily sales goals and managing shifts and schedules for non-profit thrift store.

### Graphic Designer

ACACIA CREEK JUN 2012 - DEC 2014

Worked closely with the marketing team creating graphics for emails, newsletters, holiday greeting cards & etc. I also built websites for events held at Acacia Creek.
